

# Tell us your story or create a video resource

Inspire other young women to get started on their tech journey. Answer some or all the following questions in 200 words or more and upload your photo or video as per instructions below.

Introduce yourself and tell us a bit about yourself, where you work and what your role is.

---

Tell us about your path to get that job. (How did you hear about it? What did you have to do to get it? Your experience?)

---

If you completed a Tech Apprenticeship or Pre-Tech Apprenticeship, what do you see as their benefits?

---

What skills do you think you have learned working in tech (e.g. creativity, learned to work in a team, critical thinking...)

---

Describe a typical day in this role.

---

What are the benefits of a career in tech?

---

What advice would you give to another young person who may not have considered a Tech Apprenticeship or a career in tech?

 **STORY**  
Send us your story in a Microsoft Word document or similar.  
Upload a large format JPEG photo of yourself. 300dpi and minimum size 1Mb but no larger than 5Mb. Use the link under 'Tell us your Story' to upload.

---

 **VIDEO**  
Use your phone to create a 2 minute landscape (side ways) video. Ensure there is a good light source, no background noises and use a plain background where possible.

Use the link under 'Create a video resource' to upload.

Terms and conditions apply, see our webpage for details.
